

CURRENCY PARTNERS

Platinum Portfolios Fact Sheet

We value you.

ABOUT US

We understand that behind every currency transfer there is a story that matters to you, which is why you are our most valuable currency. We value **you**.

Currency Partners specialises in Private Client FX, which is why some of the biggest names in Financial Services have chosen us as their preferred Foreign Exchange provider. If you're thinking of investing abroad, we'll help you maximise the foreign currency you'll have available to invest by giving you access to the best pricing available in the market.

VALUE PROPOSITION

At Currency Partners, we are equipped with specialist knowledge and experience to offer our clients expert advice and assistance with the SA Reserve Bank's annual individual allowances and any related exchange control matters. We'll even handle the tricky process of obtaining your [Foreign Tax Clearance Certificate](#) from SARS for you.

Our premium [Private Client FX](#) service includes:

- A short 3-5min secure [online registration](#) (places you under no obligation afterward)
- Pre-completed electronic currency forms (we don't require original documentation)
- Foreign tax clearance certificates from SARS
- SARB exchange control approval applications
- Cash Management and [Offshore Bank Accounts](#)
- Automatic market orders and target rate alerts
- "Better Price Promise" (we'll better any live comparative quote)
- Preferential wholesale pricing terms with all-inclusive exchange rates (save up to 3%)

PRICING

As one of the largest South African FX intermediaries, Currency Partners prides itself on giving our clients access to the best available pricing in the market.

With preferential wholesale terms, we typically save individuals between 1% and 3% (this translates to R10,000 - R30,000 per R1mil transferred) on the retail exchange rates from the banks. We will also guarantee to better any live comparative quote with our "Better Price Promise" so you can always save on the exchange rates from Currency Partners.

Please quote "Platinum Portfolios" to benefit from preferential pricing terms with an all-inclusive fee of just 0.5% for Platinum Portfolios clients. There are no additional costs, fees or commissions, so the rate you are quoted is all you pay.

REGISTRATION

Simply complete our secure online [Personal registration](#) which only takes 3-5 minutes and places you under no obligation.

REGULATORY

Currency Partners (Pty) Ltd. is licensed by the FSB as an authorised Financial Services Provider (No. 35134) and authorised by the SARB to act as a Foreign Exchange Intermediary (No. 1431).

Note: To demonstrate our purchasing power, avoid any ambiguity and ensure consistent and transparent pricing for our clients, we invite you to reference the market anytime with the Live Rates feed available on our website. Furthermore and in addition to full fee disclosure on our Client Trade Confirmation documents (in line with FSB regulatory and FAIS compliance requirements), you can request your Personal FX Dealer to evidence the market rates and pricing for you when providing live quotes or securing a favourable exchange rate anytime.
