2019 Raging Bull Awards

The Annual Raging Bull Awards ceremony is a highlight in the calendar of the South African investment industry, which recognises the top-performing unit trust funds and their managers.

We are very proud to have received two nominations, which put us in the top 3 funds in our categories.

The Platinum BCI Worldwide Flexible Fund was nominated for a Raging Bull Certificate for the Best (SA-Domiciled) Worldwide Multi-Asset Flexible Fund, for risk-adjusted performance over five years to December 2018. This is the third consecutive year that this fund has received a nomination for this award and although we were not winners this year the fund has two wins under its belt for the previous two years.

The Platinum Global Managed also received a Raging Bull nomination for Best (FSCA-Approved) Offshore Global Asset Allocation fund for risk-adjusted performance over five years to December 2018.

These nominations are important to us as they confirm and reinforce the fact that our hard work and the implementation of our disciplined investment process continues to deliver consistently good returns to our investors
